Member Activities

Several members had a day out at Bendigo on the 20th November, enjoying visits to the Bendigo Pottery, the Chinese Museum & the Old Post Office's Historic Bendigo display.

Bendigo Visit

The Old Post Office had a great display of photos & other items from historic Bendigo. Here is a collection of bottles from the well known Cohns cordial factory.

Enjoying the day out at the Golden Dragon Museum

Men's Shed members at the Golden Dragon Museum.

Everyone enjoyed the trip thanks to Allan B's organization & Severin's bus driving.

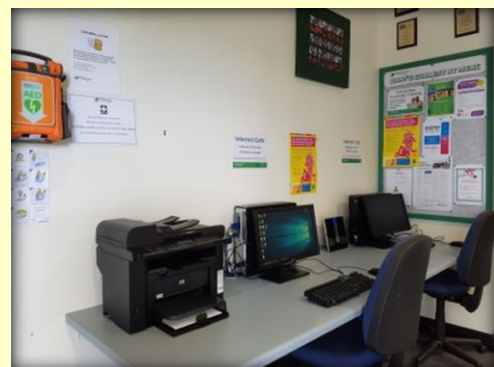

Edward Penhall with some of his work that's on display at the Golden Dragon Museum.

Christmas rush

Kmart has been sending us plenty of bikes for assembly, keeping the boys flat chat. Here Chris has picked one out for himself, subject to Roger's approval.

MEAC Alterations

Severin and the boys have been working at MEAC to reconstruct the computer room & move the computers. Their remnants can be found in MEAC's foyer.
